

Amit Global Exporters

We, Amit Global Exporters, is a leading supplier of premium quality dal and basmati rice, treated and cultivated under hygienic conditions, these are certain of superior quality. The rice we offer is tasty, nutritionally rich and extended in shelf life due to which it always stays in high demand. Apart from quality range, our business potentials, talented workforce and tough financial position have helped us in collecting a huge clientele. Newly established in the year 2021 operating from Faridabad Haryana we are growing day by day. Working under the admired guidance of our supervisor Mr Amit Kumar we have created an eminent name in the Indian market.

ABOUT US

We, Amit Global Exporters, is a leading supplier of premium quality dal and basmati rice, treated and cultivated under hygienic conditions, these are certain of superior quality. The rice we offer is tasty, nutritionally rich and extended in shelf life due to which it always stays in high demand. Apart from quality range, our business potentials, talented workforce and tough financial position have helped us in collecting a huge clientele.

Newly established in the year 2019 , operating from Faridabad Haryana we are growing day by day. Working under the admired guidance of our supervisor Mr Amit Kumar we have created an eminent name in the Indian market.

Quality Assurance

Being a quality functional organization, we confirm that all the products offered by us are incomplete adherence to international quality parameters. We acquire seedlings and other raw materials from reliable vendors and cultivate plants and herbs at our farm.

Team

The team of adoring professionals and capable workers forms the support of our organization. Our pool of specialists comprises herbal experts, microbiologists, formulation developers, chemical engineers and life science experts.

Why Us?

The key features, which allow us in staying ahead of our competitors include:

Pure and Hygienic Range of Dal and Basmati rice.

- Competitive Prices.
- Well Equipped Infrastructure.
- Proficient and Qualified team members
- Spacious Warehousing.
- Timely Delivery.
- Fair Business Policies.
