# About Us

UMAR BANGALE &  
BEADS HANDICRAFT

Umar Glass Beads is a name to reckon as manufacturer and supplier of Utility products at a cost-friendly price to our trustworthy clients. Our main area of business operation is in Uttar Pradesh. With our incomparable and quick customer services, we have become a coveted name in our field. Our professionals are dedicated and committed to working hard to help contribute to our business growth.

## Quality Control

Being a quality-conscious company, our company is concentrating on manufacturing and delivering flawless products to our admirable clients. Our company provides an exclusive collection of glass beads, Evil eye products, Glass Bangle, Natural stones, etc to our clients at budgeted rates. Our experts maintain quality control checks to ensure our utility product is efficient as per the needs of our existing clients.

Our company acquires raw material from trusted and verified vendors to maximize value addition. Our products are shiny, colourful and have fine finishing to them. Our superior quality product range is available in varying sizes, patterns, designs and materials to accommodate clients from all walks of life.

## Team And Leadership Control

Our team consists of experienced and dependable employees eager to assist our existing clients with hassle-free and quick services. Our company provides seamless client support and solution to product-related queries for the convenience of our customers. Our team is trained regularly to keep up with the changing demand for Utility-based products.
