ABOUT US

Lokesh Oil Mill

Starting its operation in the year 2021, we at Lokesh Oil Mill, have uniquely positioned ourselves as the famous manufacturers and wholesalers of an outstanding quality assortment of Ground Nut and Coconut Oil. In the way of preparation, these oils, we make use of the top high-quality components. Moreover, these oil ranges are admired due to their special features like top purity, accurate composition, and long shelf life. We are based in Madurai, Tamil Nadu (India).

These products are packed under the strict management of our professionals and demanded by our customers for their best quality. Moreover, we have divided our team into different units. The offered products are offered at the best market cost. To keep quality standards, our professionals check the coconut and groundnut oils on different quality parameters.

We have kept a great position in the market due to the flawless leadership and supervision of Mr. Lokesh Bopathi. The experience he holds in the market has uplifted the specialized standing of the company.

We have a well-organized infrastructural facility that is upgraded on a vastly regular basis. To handle the operations of the company efficiently, the services are divided into manufacturing, packaging, in-house testing, moving to the warehouse, and sales and marketing units. Moreover, we are a facility full of all the necessary equipment that assists us to get the best objectives of the company.
