ABOUT US

AK International Exporter and Importer are the central importer and exporters of fresh fruits and vegetables. Our extensive variety of fresh fruits and vegetables is conserved in controlled condition by utilizing trend-setting revolution and innocuous machines. Furthermore, our fresh fruits can be benefited at the market dynamic costs by the customers. With a solid eminence on consumer loyalty, we have been pushing world-class items at the most observant costs. We are constantly moving in the direction of fascinating our representatives with brilliant abilities and presenting them with the most recent invention.

Our Establishment

Newly Established in the year 2021, operating from Mallial, Telangana, India we are continually making effort. Under the decisive guidance of our Proprietor Mr Akthar Khan who is supervising the procedures of the company, we are gradually improving our productivity. We started our venture with the idea of importing and exporting the best quality Rice, Fresh Fruits like Fresh Banana, Fresh Mango, Fresh Papaya, Fresh Pomegranate, Fresh Orange, Fresh Pineapple, Fresh Guava and Fresh Vegetables like Fresh Tomato, Fresh Green Chilli, Fresh Ginger, Fresh Garlic, Fresh Onion and many more. Also, we are targeting to spread all across the world.

Our Vision

To partner with farmers and customers in recognizing the uppermost possible quality produce & services and achieve sustainability in long term growth.

Our Mission

To supply agricultural food and food confirming good agricultural practices, supply ability, quality production, efficient logistics and realistic price, all in an environment-friendly manner.

Why Us?

- Vast infrastructure unit
- Ethical business dealings
- Cost-effective prices
- Timely delivery
