## ABOUT US

# Shivam Traders

Shivam Traders is the leading exporter, importer and supplier of copper metal scraps. Established in 2020 in Tamil Nadu, India, our company has gained a huge customer base within a short time. We introduce ourselves as a reputed company which excels in providing high-quality products to the customer.

Starting from procuring the products from the trusted dealers and suppliers to the transit of the final products. We follow rigid quality control procedures from the beginning until the end of packaging the products. Our products are highly appreciated by our customers and clients. The exceptional quality and the variety is what people love the most.

We have gained a wide customer base all across the country. Our company is recognised as a genuine and reliable company for our customers and clients for our quality products. With their appreciation, we have progressed and have achieved a great place in the market today. Customer satisfaction and quality products are the reason for our success.

### • Why Choose Us?

We are committed to quality. This has become a driving force behind growth and success. We believe in quality and are consistent with our customers. We serve our customers with excellent products and serves at a fair market price. We believe that quality is a comprehensive aspect that should be ingrained in every stage.
