Now Available
Thermocouples
For Rocket /
Aerospace
Applications

Import Substitute / Custom Built Temperature Sensors Offered For Your Specific Applications.

Calibration, Certification Services

All UV Thermocouples and RTDs are tested and are as per International Standards. We Calibrate and Certify your Instruments and Sensors traceable to National Standards.

UV Now Offers Thermocouple Service, Repair & Calibration at Your Doors.

UV RTD Probes, Elements & Assemblies

RTD Elements

High Accuracy Probes

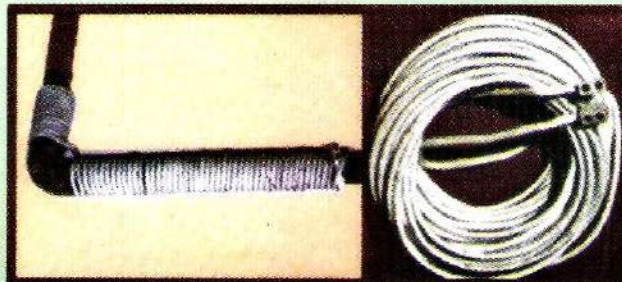

Industrial Assemblies

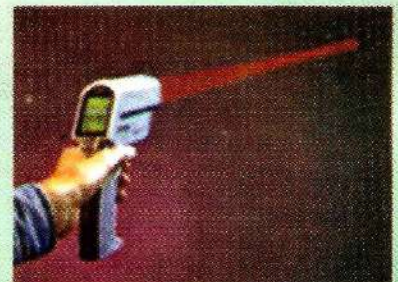

Heat Generation - Heat Measurement

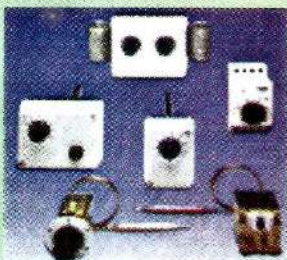

UV Dial Thermometers

UV Flexible Cord Heaters

Non-Contact Therm.

Thermostats

Foil Type Heaters

Cartridge Type

Mineral Insulated

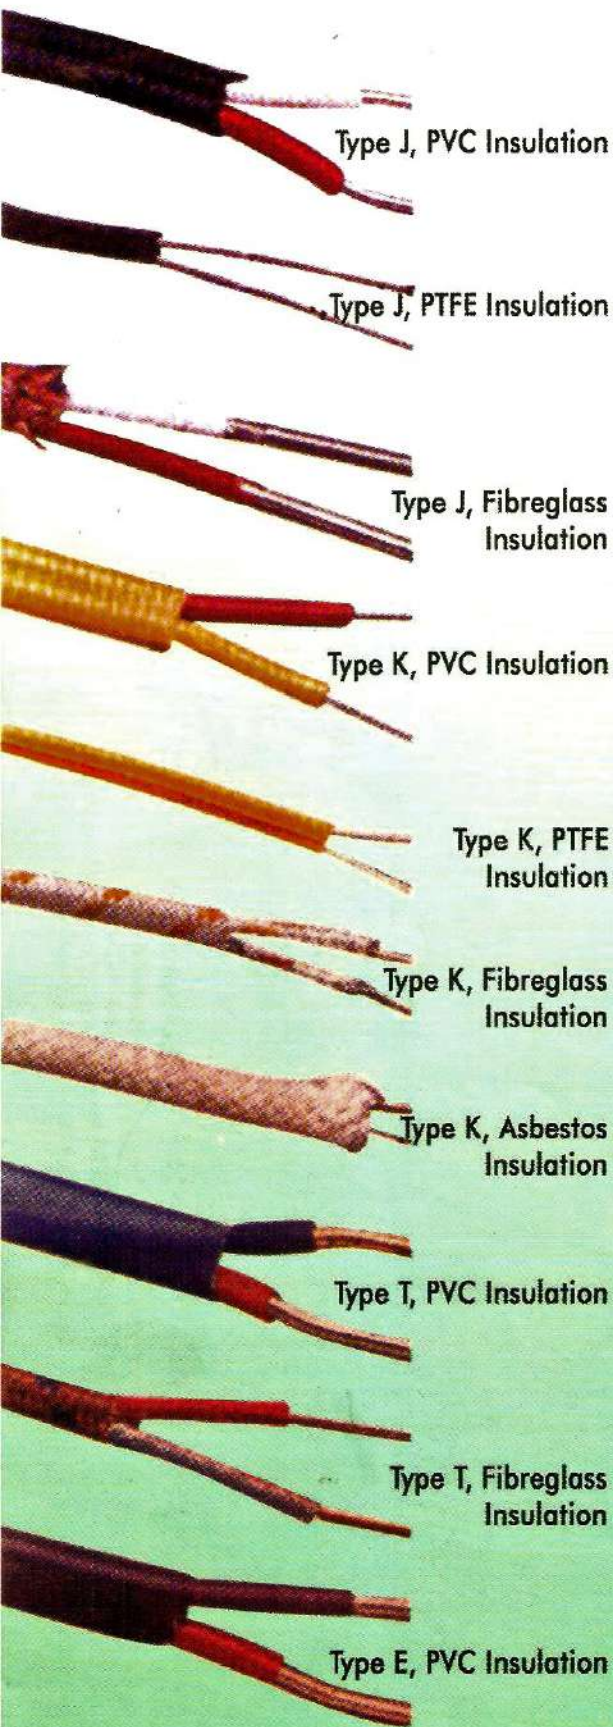

Band Heaters

Now Offering

Customised Experimental Set-ups For Research on Heat.
