Established in the year 2018, Ramkanya Traders is a well-known supplier and trader of a wide variety of potatoes. The company is based in Shajapur (Madhya Pradesh) and caters to the demands of customers all over India.

We aim to provide high-quality, fresh and cost-effective food products to consumers across the country. In this regard, we work closely with many rural potato cultivators and trusted vendors in the market and source the best quality potatoes from them. With our excellent teamwork and extensive expertise, we offer quality products and ensure that our customers are fully satisfied by meeting their needs and expectations.

We deal in fresh big potatoes, small potatoes, brown potatoes, natural potatoes, organic potatoes, chipsona potatoes, Deesa potatoes, Laukar potatoes, Pukhraj potatoes, are supplied to different food marts, grocery stores, restaurants, hotels, and companies involved in the production of various packaged

potato-based items. We make sure that after being collected from cultivators/vendors, our potatoes are cleaned properly and kept in a hygienic condition and the required temperature is maintained. We supply our potatoes to the different parts of India through multiple means of transportation. The assurance of timely delivery has always been kept by us.

We are always anxious to build long-lasting relationships with our customers by providing the best – in terms of product and customer support.
