

# Aajara Mart

**Manufacturer**  
**Wholesaler & Trader**

## ABOUT US

**Aajara Mart**, Gujarat, was established in the year 1992 with the sole objective to offer high-quality food items and other such products to our customers at an affordable price. Since our inception, the company has walked through the path of business with acumen. With years of experience today, we have become the best manufacturer and supplier of good quality products that are loved by customers all around the world. Our products mainly include ghee, butter, buttermilk, khoya, king-size bed, wardrobe and much more.

While the company initiated production with a small product line, today we are into manufacturing various product categories. We have adopted a state of the art manufacturing facilities. Our facilities are of the highest standards. Our manufacturing units have modern machines to fulfil the bulk demands of our esteemed customers.

### **Quality Assurance**

Right from the beginning, our company has had a penchant for the quality of the food items that are produced and distributed to customers around the world. We have appointed experts and professionals to perform quality tests. Our products are certified and don't contain any harmful product in it. The client's safety is always our priority.

### **On-Time Delivery**

We are proud to say that our orders are always delivered on time without any delay. We follow strict delivery rules and ensure that our clients get the best services. Order our products in bulk and get them delivered to your preferred location.
