Global Infotech Solution

We, Global Infotech Solution established in the year 2019, a group of scholars, headed by Mr Rajiv Sinha. Started as an importer and supplier of computer hardware that can be useful for your home or business like CSAT ITS6 Digital Color Printer, Printer Ink & Ribbon, Laser Printer and many more products. We supply premium quality equipment that can be useful for your business to grow and advance. Our product is reputed for its quality functioning and durability.

Working under the valued leadership of our Owner, Mr Arvind Mohan Nautiyal, we have the want to be the top company in the market. Our company is based in Faridabad, Haryana and we are operational as a leading importer of high-quality computer hardware items.

Quality Policy

We resolutely provide the topmost quality products to our valued clients as we have designed firm quality standards. This makes us stand out from others involved in parallel areas.

Our Vision

The long-term supplier of computer hardware and software to make this dream imaginable we aspire to reach heights as a worldwide front-runner in this business domain.

Why us?

- Severe quality control giving to international standards
- Customer Satisfaction
- Delivery on Time
- Competitive Price
- Well Equipped Machinery
- Highly Qualified Staff
- Close Relationship with Customers
