About Us

One of the leading medical distributors in Nagpur in Maharashtra, Shri Mahalaxmi Sales represents tall standards of quality, professionalism and care. We have been actively operating in the Indian market since 2018 to now generating an annual turnover approximating to the tune of 2.5 crores.

• Our Strategy

We are a growth-oriented company solely aiming at healthy growth that will help us to sustain in the industry for years to come. We provide all solutions to all medical problems with our available in-house professionals.

At all stages in our business, we strive to maintain cordial and friendly relations with our customers to continue the chain of development and growth. Obeying to all government compliances is another perspective of our company.

• Our Supply Chain

We are reputed as a distributing agency for having a continuous supply of every medicine. The medicines and medical supplies that we stock are all from reputed brands across the country. It is one reason why we are travelling to countries beyond India.

We are always striving to improve the lives of our clients by providing medicines that are suited to their specific conditions. We have an uninterrupted supply of medicines. It is the reason why today we are ranked as one of the top medical distribution companies in Maharashtra. And all of this has become possible because of the leadership abilities of the erstwhile Mr. Rajshree Pohekar.
