We are Manufacturer, Supplier, Trader and Exporter the food processing machines like Pulverizer Machine, Flour Mixing Machine, Steady & Tilting Wet Grinder, Oil Expeller and much more. Our mindset in creating innovative product designs with seamless quality is known in the industry. To pay attention to domestic clients' requirements, we have our Head Office (HO) in Ahmedabad. The team of highly qualified professionals, abreast with latest trends and technologies, is committed to offer its best in class services to our valuable clients across the globe. Our services are highly valued and recognized across the industries. The team at Confider industries is skillful and capable to Design, Execute, Handle, and Manage projects, irrespective of the size of the project within the proposed time-line. Our precisely designed range comprises of Pulverizers, Veg cutting machines, Roti/chapatti makers etc in food machineries.

To step ahead in the march of prevailing industrial challenges and competition, we have established a highly sophisticated and advanced infrastructural set-up at our premises. It is equipped with all necessary and latest equipment, which helps us in developing bulk products within specific time period. Further, our infrastructure encompasses departments such as production, administrative, quality control, research and development, warehousing and packaging, sales and marketing, logistics and many others. Each department is handled by a team, who possess vast knowledge in the respective domain. To protect our range from any kind error or flaw, we store our bulk consignment in highly spacious warehousing unit. We also pack safely our bulk consignment using high-quality material, which protects our range during transit.

We are a professionally managed organization, thus, all our operations are carried out under the stringent and careful guiding principles of our Manager, Mr Mr Bhavik Bhesaniya. His sharp business insight, ethical approach, foresightedness and years of experience in related domain have helped us in successfully catering to the upcoming requirements of clients and satisfy them immensely.
