

ABHIJIT ENTERPRISES

Therefore, we procure the products from trustworthy manufactures. Quality control unit keep a close check on the raw materials used and check the products on varied parameters such as durability, functionality etc. before considered fit for the delivery. Also, we use quality packing materials and our transport vehicles are fitted with packaged gas cylinders, tanks, cryogenic cans etc. so that the properties of Dry Ice and Liquid Nitrogen is not lost during the shipment process.

Liquid Nitrogen Pump

Cryogenic Vaporizer

Cryogenic Tanks

Liquid Industrial Oxygen

Cryogenic Shrink Fitting

Tilting Cryogenic Trolley

Cryogenic Pipe

Cryogenic Vessels

Vacuum Insulated Lines

Aluminum Dewar

Abhijit Enterprises has been efficiently catering to the needs of varied industries such as the Cryogenic industry, Pharmaceuticals, automobile industry, etc. We offer an all-encompassing range of products, which includes Liquid Nitrogen Cryogenic Containers, Liquid Nitrogen, Liquid Oxygen, Cryogenic Dura Cylinders, and Cryogenic Storage tanks, or Nitrogen Purging services.

Based in Phaltan (Maharashtra) and incorporated in the year 1996, we have carved a name of repute for ourselves in this domain. Since its initiation, the company has flourished in leaps and bounds under the vigilant supervision of our respected Proprietor, **Mr. Dadasaheb Sayajirao Mane.**

INFRASTRUCTURE

The sophisticated infrastructure forms the backbone of the company. Our infra-structural unit is fully empowered with technologically advanced machines and equipment for dispatching impeccable range in the markets. Based on the same, we are able to meet the precise requirements of the customers:

- **Number of Factories** : Four Ho Phaltan, 2 in Pune, 3 in Kolhapur, 4 in Naagar
- **Machinery** : Liquid Nitrogen manufacturing PLN 430 Holand 5 no capacity 25liters / hours
- **Storage Capacity** : 20KL at PHALTAN, 20 KL at KOLHAPUR, 15KL at PUNE

QUALITY ASSURANCE

Distinction in terms of quality is of utmost significance to the company. Therefore, we procure the products from trustworthy manufactures. Quality control unit keep a close check on the raw materials used and check the products on varied parameters such as durability, functionality etc. before considered fit for the delivery. Also, we use quality packing materials and our transport vehicles are fitted with packaged gas cylinders, tanks, cryogenic cans etc. so that the properties of Dry Ice and Liquid Nitrogen is not lost during the shipment process.

CLIENTELE

The principle of our working is led by ethical and transparent business norms, which has assisted us in expanding our business network. Our steadfast endeavors are made in a direction of building long term business relationship with all the clients. Enlisted below is the list of our valued customers :

- NCL
- Maharashtra GOV animal Husbandry
- TATA Motors
- IISER
- MLDB AKOLO
- Lupin Limited

Liquid Nitrogen Cryogenic Containers BA 1.5

Chemical Reaction Nitrogen

Liquid Nitrogen Tank

Laboratories Liquid Nitrogen

Liquid Nitrogen For Ice Cream

Cryo Chamber

10000L Cryogenic Gas Cylinders

Super Insulating Dewar Flasks

Cryogenic Container IOCL BA 2X (IBP)

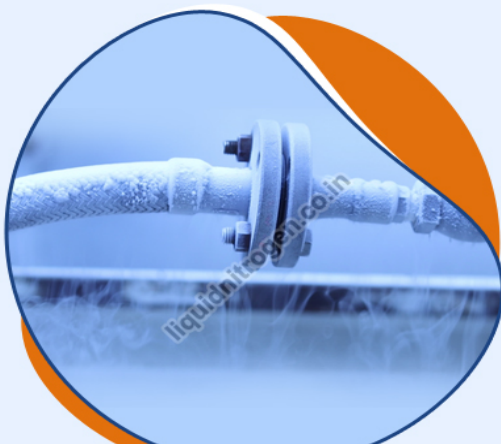

Stem Cells Liquid Nitrogen

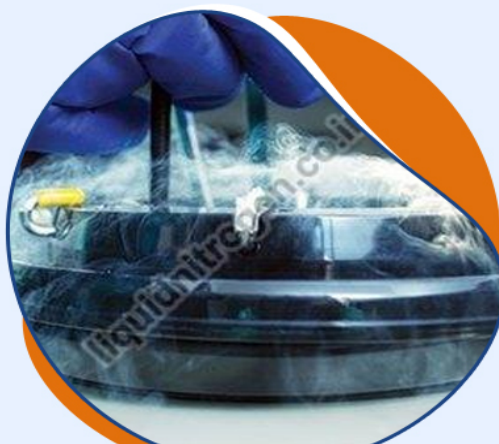

Dewar for Cryo Biological Storage

Chemical Reaction Liquid Nitrogen Gas

Liquid Nitrogen Gas

Laboratory Liquid Nitrogen

Liquid Nitrogen For Artificial Insemination Of Cattle

Pharmacy Liquid Nitrogen

Liquid Nitrogen For Animal Husbandry

Cryocan BA-23 Cryogenic Containers

Pure Liquid Nitrogen

Cord Blood Dewar

Cryocan BA-3 Liquid Nitrogen Container

Liquid Nitrogen Container With Trolley

Cryocan BA-11 Liquid Nitrogen Container

Liquid Nitrogen Cryogenic Containers Jumbo 12

Liquid Nitrogen Containers

Cryocan BA-20 Liquid Nitrogen Container

50L Liquid Nitrogen Containers

Cryocan BA-7 Liquid Nitrogen Container

Cryocan TA-55 Liquid Nitrogen Container

Transformers Base Rollers Liquid Nitrogen Container

Cryogenic Gloves

Frosters Cryo Aprons

Cryo Face Shield

Liquid Nitrogen Dewar For Cryo Biological Transport

Liquid Nitrogen Dewar for Cord Blood

240L 1.5 Bar Low Pressure Dura Cylinders

Cryogenic Freezer

Stainless Steel Cryogenic Chamber

Cryogenic Chamber

Liquid Nitrogen Pump

Cryogenic Vaporizer

Cryogenic Tanks

Liquid Industrial Oxygen

Cryogenic Shrink Fitting

Tilting Cryogenic Trolley
