Fresh and Certified Organic Garlic

Being the leading wholesaler of garlic in India, we ensure our farmers cultivate the garlic under strict supervision and in completely hygienic places, without the use of unsafe and toxic chemical fertilizers and pesticides. Furthermore, the garlic is stored perfectly, in the safest storage facilities to make sure they don't turn rotten.

We offer garlic in bulk quantities to our suppliers and vendors, based on their requirements. Every defect-free garlic that we offer sells out quickly, thanks to its natural taste and flavour. The garlic is also used and counted for multiple usages and applications. To buy organic garlic bulbs at exclusively low rates, contact us.
