Star One Pharma is a Mumbai-based pharmaceutical firm. Active since 2010, we're serving as a trader-supplier of a colossal range of pharmaceutical products. The wide range includes ointment, eye drops, oral jelly, pharmaceutical capsules, and pharmaceutical tablets. As being a firm with repute in the market, we comply with international pharmacy standards & provide permitted drugs for medical purposes. The R&D bureau examines the quality of acquired medicines as per the pre-set standards. Hence, you can stay assured of the topnotch pharmaceutical products at affordable rates.

We are headquartered in Mumbai (Maharashtra). With a team of professionals, we're executing all operations with agility. Our consistency has fetched us appreciation in the market.

COLD STORAGE

We understand the exigency of pharmaceutical products & to prevent them from getting hampered, we have a dedicated cold storage. All capsules, tablets, and eye drops are stored in cold storage.

PAYMENT POLICIES

We promote efficient payment norms for all clients. You can pay via NEFT or through verified e-wallets. There are zero surplus charges on pharmaceutical products offered from our end.
