About Us

BNG International was established in the year 2016. We are a Jamnagar (Gujarat, India) based company, engaged in supplying and exporting agricultural products. Under the leadership of Mr. Bharat Gojiya, we have confirmed ourselves as one of the top business exporters from India.

Absolute customer satisfaction has forever been the prime factor of the company. We have outfitted with a state-of-art manufacturing unit and production service. Our unit of production works according to manpower and technology. To confirm the smooth working of the manufacturing unit, we have separated the process into different sections. We at BNG International export the best quality products that match global standards. Our project list includes Bold peanuts, Java Peanuts, white sesame seeds, black sesame seeds, cumin seeds, coriander seeds, turmeric finger, desi chickpeas, and Green Mung Beans.

Our quality analysts perform strict quality control measures to make sure toughness of the products. We check the quality of the product on different parameters at different stages of production.

We collect our products from professional vendors to make sure the product is wholesomeness. The available product range is offered in customized and standard features. Our aptitude to deliver large volumes within a fixed time plan has aided in creating strong business alliances and bonds with various renowned across the national and international market. Our customer team is always ready to answer your questions within few hours.
