ABOUT US

PADMINI ENTERPRISES

Padmini Enterprises is one of the most prominent names in the detergent powder manufacturing industry. We are the best manufacturers and suppliers from Latur in Maharashtra.

Our Quality

Our product is widely appreciated by our customers as one of the best washing powders today. Our powder is absolutely safe on the hands as it causes no effects on the skin, being manufactured from the best quality raw materials.

Quality is not the only USP of our product. Our product is 100% efficient and effective. It will clean to the very last dirt. The shelf life is also very long provided it is kept in airtight containers sealed away from moisture. Every grain of our powder is pure and safe.

Our Team

We have a very efficient team managing our plant. Our expert and skilled professionals do a thorough R&D to give the best quality powder that comes in packs of 500gm and 5 & 10 kg. We have kept in mind all the standards and norms set by the industry while manufacturing.

We have a very modern and technologically advanced plant equipped with the latest machinery and tools. With an expert team in charge of the manufacturing under the stringent vigilance of Mr. Vishal Sutar, we have achieved immense success, in a very short time since we incepted in 2021.
