## About Us

Narayana Exim is a well-established name in the pharmaceuticals industry that is engaged in offering the best quality Pharmaceuticals Tablets, Pharmaceutical Raw Materials, Pharmaceuticals Injections, Pharmaceutical Capsules, Pharmaceutical Gels, Pharmaceutical Ointments, Pharmaceutical Syrups, Eye Drops, Fitness Supplements etc. We serve as exporters and service providers in this domain. All the available medicines can be obtained at affordable prices throughout the world primarily in USA, UK, Russia, European countries, African countries and Asian countries. Established in the year 2012, we have a rich experience of manufacturing these drugs at the right formulations as per the defined international standards.

Narayana Exim operates from Nagpur (Maharashtra, India). Under the guidance of our mentors, the company has successfully managed all its operations efficiently. The drugs that we offer are widely known for their precise compositions and efficacy. Our products are exported globally to different healthcare companies, hospitals, clinics, etc. We offer these pharmaceutical products in medical grade packaging materials. Several clients have contacted us multiple times to purchase our drugs.

Being a client-centric organization, we make sure that the raw materials for these drugs are procured only from the reliable vendors. Besides, the manufacturing of these medicines goes through several quality checks to ensure that the medicines are effective yet safe to consume. We have an excellent distribution channel that is capable of delivering these drugs at every corner of the earth within the stipulated time-frame. Supported by a well-equipped manufacturing unit, we are able to take bulk quantity orders from our customers.

Clients can pay for their orders conveniently at Narayana Exim. We accept payments through cash, cheques, and e-transfer to make payments easier and hassle-free. Place your orders now as per your requirements.
