

OHM Trishul Bio Process

OHM Trishul Bio Process was established in the year 2019, a group of thinkers, headed by Mrs. R. Jothi Priya Dharsini & Mr. P. Mahendran, and started as a manufacturer exporter and supplier of extreme quality coconut products from Erode Tamil Nadu, India. The project of location up the unit here was due to the component that Coconut trees were richly grown in this region. We pick the best quality products straight from the field for the production of our quality products. We are, today, is one of the noticeable exporters and suppliers of Coconut Shell Charcoal, Coconut Shell Powder, around the world. Our products are manufactured to meet up with the international quality standards.
