At EVAAN AGROFOOD

INDUSTRIES PT. LTD., we can be trusted as

the most committed manufacturer, exporter, and supplier

of mustard oil of various weights in the market. Incepted in 2021, we are a pioneer when it comes to mustard oil manufacturing. We only count on the blend of traditional production processes with the latest technology to deliver brilliant products.

The ingredients we use for the manufacturing of our mustard oil and kachi Ghani mustard oil are procured from the best Indian farms. Since our establishment, we have always focused on delivering healthy and highest-quality products in pocket-friendly pockets.

QUALITY-APPROVED MUSTARD OIL

- It is because of our efficient planning and automation that we can always acquire minimal rates and production prices. Motivated by the warmth and love of our clients, we endeavour to someday become the most preferred name in every Indian household. Since agriculture is the country's largest sector, we always plan on modernizing it.
- We extract our mustard oil from quality-approved mustard used through the latest processing technique so to ensure the oil has a strong odour and is rife with all the natural properties. Our mustard oil is in high demand because of its unmatched benefits and because they are available in different packaging as well. Call us to place your bulk order for mustard oil.
