ABOUT US

Established in 2002, Pace Technologies is a leading manufacturer and trader of Industrial Extension Boards, Distribution Boards, and more. Headquartered in Vadodara, Gujarat, India, we have a strong reputation for delivering high-quality products that meet the exacting standards of our clients.

◆ Our Commitment to Excellence

At Pace Technologies, we are committed to excellence in everything we do. We use only the highest quality components, sourced from trusted vendors, and employ rigorous quality checks at every stage of the manufacturing process. This ensures that our products meet the highest standards of performance and reliability.

◆ Our Products

We offer a wide range of Industrial Extension Boards, Distribution Boards, and other electrical products. Our products are designed and manufactured to meet the specific needs of our clients. We also offer customized solutions to meet unique requirements.

◆ Our Team

Our team of experienced professionals is dedicated to providing our clients with the best possible service. We have a collective experience of over 30 years in the industry, and we are constantly upgrading our skills and knowledge to stay ahead of the competition.

◆ Our Clients

We have a large and diverse client base, including major power utilities, industrial companies, and commercial establishments. We are proud to have earned the trust and respect of our clients through our commitment to quality and service.

◆ Our Values

Our core values are quality, innovation, and customer satisfaction. We are passionate about providing our clients with the best possible products and services.

◆ Why Choose Pace Technologies?

There are many reasons why you should choose Pace Technologies as your supplier of electrical products. Here are just a few:

- ▶ Uncompromising quality: We are committed to providing our clients with the highest quality products.
- ▶ Experienced team: Our team of experienced professionals is dedicated to providing our clients with the best possible service.
- ▶ Client-centric approach: We are committed to meeting the specific needs of our clients.
- ▶ Timely delivery: We have a proven track record of delivering our products on time and within budget.

APFC Panel

Business Type : Manufacturer, Exporter, Supplier

Body Material : Mild Steel

Color : Grey

Power Source : Electric

Voltage : 440V

Autoamatic Grade : Automatic

Type : APFC PANEL

Phase : Three Phase

Intelligent Motor Control

Business Type : Manufacturer, Exporter, Supplier

Material : Mild Steel

Shape : Rectangle

Color : Orange

Application : Power House, Industries

Feature : Weatherproof, Tamper Free, Shock Proof, Perfect Shape

Type : Intelligent Motor Control Center Panel

Phase : Tripple Phase

Motor Control Centre Panel

Business Type : Manufacturer, Exporter, Supplier

Material : Mild Steel

Shape : Rectangle

Color : Gray

Application : Power House, Industries

Feature : Tamper Free, Shock Proof, Perfect Shape

Type : Motor Control Centre Panel

Country of Origin : India

PLC Control Panel

Business Type : Manufacturer, Exporter, Supplier

Body Material : Mild Steel

Color : Grey

Power : Upto 350KW

Power Source : Electric

Application : Control Panel

Voltage : 220V

Type : Plc Control Panel

Power Control Center Panel

Business Type : Manufacturer, Exporter, Supplier

Body Material : Mild Steel

Color : Grey

Power : 5000 Amps

Power Source : Electric

Voltage : 440V

Autoamatic Grade : Automatic

Type : Power Control Center Panel

VFD Control Panel

Business Type : Manufacturer, Exporter, Supplier

Body Material : Mild Steel

Color : White

Power : Upto 350KW

Power Source : Electric

Application : Control Panel

Voltage : 440V

Autoamatic Grade : Automatic

HT Panel

Business Type : Manufacturer, Exporter, Supplier

Material : Mild Steel

Color : Grey

Power : 3000 Amps

Power Source : Electric

Application : Power Distribution, Transformer Protection

Feature : Durable, High Efficiency., Robust Construct

Type : Ht Panel

Instrumentation Panel

Business Type : Manufacturer, Exporter, Supplier

Color : Grey

Automation Grade : Automatic

Application : Industrial Use, Power Grade

Feature : Easy To Install, Electrical Porcelain, Proper Working

Type : Instrumentation Panel

Country of Origin : India

Material : SS316/CRCA

Marshalling Panel

Business Type : Manufacturer, Exporter, Supplier

Material : Thermoplastic

Color : Grey

Application : Industrial Use

Feature : Performance, Robust Construction, Sturdy Design

Type : Marshalling Panel

Phase : Double Phase

Country of Origin : India

Thermoplastic Junction box

Business Type : Manufacturer, Exporter, Supplier

Material : Thermoplastic

Finishing : Coated

Shape : Square

Color : White

Application : Electronics

Type : Junction Box

Country of Origin : India

Power Distribution Board

Business Type : Manufacturer, Exporter, Supplier

Color : Grey

Automation Grade : Automatic

Application : Power Grade, Industrial Use

Feature : Superior Finish, Proper Working, Electrical Porcelain

Type : Power Distribution Boards

Country of Origin : India

Mounting Type : Floor & Wall Mount

Feeder Pillars

Business Type : Manufacturer, Exporter, Supplier

Material : IP55 CRCA Thermoplastic

Color : Grey

Application : Industrial Use

Width : 1000-2000 Mm

Country of Origin : India

Temperature : 45-90 Deg C

Electrical Bus Duct

Business Type : Manufacturer, Exporter, Supplier

Material : Metal

Shape : Rectangular

Application : Busbars Use

Feature : Accuracy Durable, Corrosion Resistance, High Quality

Type : Bus Duct

Country of Origin : India

Powder : Upto 4000 Amps

Motor Isolator

Business Type : Manufacturer, Exporter, Supplier

Material : SS/CRCA Fabricated

Shape : Rectangular

Color : Silver

Country of Origin : India

Mounting Type : Horizontal

Rated Voltage : 250-415 v

Extension Cable Drum

Business Type : Manufacturer, Exporter, Supplier

Brand Name : Pace Technologies

Material : Synthetic Rubber

Shape : Round

Color : Black

Application : Cable Packing Use

Type : Cable Drum

Country of Origin : India
