Founded on 5th July 2007 by Dr. Sanjay Patidar and Mr. Hemraj Kose, Growtech Agri Science and Research Pvt. Ltd. is a leading manufacturer and supplier of Bio fertilizers, bio pesticides, organic fertilizers, botanical pesticides, plant growth promoter, Plant growth regulator, micronutrients and other plant nutrients. The company has an expert team onboard, highly experienced in the field of bio fertilizer-manufacturing.

Growtech currently has a pan-India dealer distributor presence with highest penetration in Maharashtra, Karnataka, Gujarat and West Bengal. The company holds ISO 9001:2015, ISO 1401:2015, ISO 18001 and CRISIL ratings, making it very reliable when it comes to quality and efficiency. Products supplied by company are certified by APEDA.

By offering the finest quality products, Growtech operates with a sole mission of improving the Indian soil health and crop quality. As a result, we are able to rightly contribute towards helping the farmer community get the best possible results out of their agricultural produce.

We have been in the industry for quite a long time now and therefore are rightly aware of the hardships farmers go through when it comes to maintaining the crop quality. Therefore, our team constantly works towards developing more effective crop-health products meant to offer relief to the farmer community.

DR. MICROBES

Dr. Microbes is a symbol which is used on product for showing advance technology of microbes. This is developed by Growtech Agri Science and Research Pvt. Ltd. after a lot of R&D of 7 years. This technology is based by using wide range of different microbes to produce the consistent product. This technology is Eco friendly and 100% organic. This is safe for humans, animals and environment, thus creating a positive impact in nature and productivity of soil and crop. This technology was developed by keeping in mind to enhance the plant and soil health by -

- ➡ Detaching the nutrient bond to soil particle and crop residue. Thus providing the required nutrient to plant.
- ➡ It enhances the crop nutritional environment by improving soil structure, soil texture, soil aeration, soil porosity and increasing water holding capacity of soil.
- ➡ It protects the plant from stress condition like low temp/high temp etc by strengthening the plant and their root system.
- ➡ Protects the plant from different plant pathogenic fungi, bacteria and viruses.
- ➡ Protects the plant from wide variety of insects and pest.

QUALITY POLICY

Growtech has a specialized team that keeps a check on the quality parameters and certifies and internal job card. The remaining 'quality check' results are printed on the label, which can be checked and verified by an external body. Checking parameters are :

Water Soluble Fertilizer**

**Nutri Grow NPK 17-44-00
Water Soluble Fertilizer**

**Nutri Grow NPK 19-19-19
Water Soluble Fertilizer**

**Nutri Grow NPK 20-20-20
Water Soluble Fertilizer**

**Nutri Grow Potassium Magnesium
Sulphate Water Soluble Fertilizer**

**Nutri Grow Potassium Schoenite
Water Soluble Fertilizer**

Grow Geo Mix Micronutrient Mixture

Grow Nutrica Ammonium Molybdate - 52%

Grow Nutrica Borax-10.5%

Grow Nutrica Boric Acid B-17%

Grow Nutrica Chelated Zinc AS ZN-EDTA - 12%

Grow Nutrica Copper Sulphate - 24%

Grow Nutrica Di Sodium Tetraborate Pentahydrate - 15%

Grow Nutrica Disodium Octaborate 20%

Grow Nutrica FE-EDTA -12%

Grow Nutrica Ferrous Sulphate - 19%

Grow Nutrica Manganese Sulphate 30.5%

Grow Nutrica Zinc Sulphate Monohydrate - 33%

Grow Power Mix Micronutrient Mixture

Grow Power Plus Micronutrient Mixture

BIO PESTICIDE

**Grow Bio Attack Beauveria
Bassiana Bio Pesticide**

**Grow Bio Counter Verticillium
Chlamydosporium Bio Pesticide**

**Grow Bio Crusher Metarrizium
Anisopila Bio Pesticide**

**Grow Bio Demand
Pseudomonas Fluorescens
Bio Pesticide**

**Grow Bio Force Trichoderma
Harzianum Bio Pesticide**

**Grow Bio Jet Bacillus
Subtilis Bio Pesticide**

**Grow Bio Pace Paecilomyces
Lilacinus Bio Pesticide**

**Grow Bio Shoot Verticillium
Lecanii Bio Pesticide**

Bio Fertilizer

**Grow Avail Phosphate
Solubilizing Bio Fertilizer**

**Grow Bacter Azotobacter
Bio Fertilizer**

**Grow Complex Azospirillum
Bio Fertilizer**

**Grow Consortia Liquid &
Carrier Based Bio Fertilizer**

**Grow Fix Rhizobium Bio
Fertilizer**

**Grow Line Up Zinc Solubilizing
Bio Fertilizer**

**Grow Natural Acetobacter
Bio Fertilizer**

**Grow Phyton Endomycorrhiza
Bio Fertilizer**

Organic Crop Protectants

**Helyo Organic Crop
Protectant**

**Race Organic Crop
Protectant**

Renew Plant Fungicide

**Tathastu Organic Crop
Protectant**

Amino Acid Organic Fertilizer

**Alpine Amino Acid
Fertilizer**

Amita Flower Stimulator

**Magic Green Amino
Acid Fertilizer**

**Medex Amino Acid
Fertilizer**

Organic Manure

Grow Base Organic Manure

Grow Biotic Organic Manure

**Grow Unique Organic
Manure**

**Grow Vermi Cast Organic
Manure**
