Dharti Enterprise is a renowned company based in Rajkot in Gujarat. We are manufacturers of plastic items like laminate spreaders, adhesive glue spreaders, hand glue spreaders, adhesive applicators and cutters. From our cutter range, we offer various cutters that are of premium quality. We have sunmica sheet cutters, mica cutters, hand sunmica cutters, hand laminate cutters and 5.50 & 6-inch laminate cutters.

Our products are manufactured from the best quality raw materials available in the market and are sourced from reputed vendors to assure its quality.. The items that we manufacture are strong and sturdy. While in usage there is very little chance of breakage because we make only superior quality goods.

Dharti Enterprise has a state-of-the-art manufacturing plant that is equipped with machines that have cutting-edge technology that has the technology to manufacture flawless plastic items. All our products have a fine and superior finish unlike that which other companies offer.

Every item is manufactured to the finest detail without any defects or faults in them. Our products do not have sharp edges that can cause any damage to any person or any other thing.

You can safely trust us with our products. Even if they are found in the hands of young children, you can relax because there are no sharp edges in our products. They are absolutely safe.

We are one of the most appreciated companies not only because we manufacture premium quality items, but also because we have very transparent and ethical business policies that have earned us a name as a company that conducts its business ethically.
