About Us

Zema Resources is one of the most celebrated names in the market of Bangalore. The company is indulged in exporting and supplying the best quality industrial chemical, edible oil, dry fruits, copier paper, dairy products, personal protective products, and many more. We offer different types of industrial chemicals such as ascorbic acid, menthol crystal, methanol, calcium ascorbate powder, refined glycerin, etc. The industrial chemicals offered by us are best known for their high effectiveness. We provide several edible oils like avocado oil, refined sunflower oil, refined soybean oil, etc. Our edible oils are finely processed using the best quality machines. We are offering our products in high-grade packaging materials. To purchase our products at reasonable prices, dial our numbers now.

Situated in Bangalore (Karnataka, India), Zema Resources was incorporated in the year 1995. Dr. Ibrahim Nizam is the Director of the company, who has always managed to motivate the entire team to perform well for the company's growth.

Why Choose Us?

Our extensive experience of more than 25 years has enabled us to become a respected name in the industry. We have been able to gain a decent clientele in Bangalore and other cities of Karnataka as well.
