

YUAAN Enterprises

Established in 2007 by Mr. Mohammad Zeeshaan, Yuaan Enterprises has grown from a Darya Ganj, Delhi-based venture into a leading supplier of commercial kitchen equipment.

About Us

Established in 2007 by Mr. Mohammad Zeeshaan, Yuan Enterprises has grown from a Darya Ganj, Delhi-based venture into a leading supplier of commercial kitchen equipment. Our mission is to empower foodservice businesses across India with the tools they need to thrive.

We understand the unique demands of a commercial kitchen. From the sizzling heat of a griddle to the precise temperature control of a proofer chamber, your equipment needs to be reliable, efficient, and built to last. That's why Yuan Enterprises offers a comprehensive range of high-quality products encompassing every stage of food preparation and service.

Equipping Your Culinary Dreams

Our extensive catalog includes everything from essential workhorses like commercial refrigerators and ovens to specialized tools like shawarma machines and waffle makers. We carry a wide selection of food prep essentials like mixer grinders, slicers, and dough handling equipment. Don't forget about the finishing touches – we offer display warmers, beverage service solutions, and even room service trolleys.

Beyond Products: Your Trusted Partner

At Yuan Enterprises, we believe in fostering long-term partnerships with our clients. Our team of experts is dedicated to providing you with the knowledge and support you need to make informed decisions about your kitchen equipment. Whether you're outfitting a brand-new restaurant or revamping your existing operation, we'll guide you through the process, ensuring you choose the equipment that perfectly aligns with your specific needs and budget.

Committed to Quality and Innovation

We source our products from reputable manufacturers known for their commitment to innovation and durability. We constantly stay up-to-date on the latest trends in commercial kitchen technology, so you can be confident you're getting access to the most advanced solutions available.
