# ABOUT US

Established in 1992, Tekshiiiv Systems Private Limited is a well-established Manufacturer, Exporter, and Supplier of high-quality kitchen and home appliances in India. With more than three decades of industry experience, the company has built a strong reputation for reliability, innovation, and customer satisfaction.

Led by Mr. Anuj Katariya, Tekshiiiv Systems has consistently evolved with changing market demands and modern lifestyles. The company offers a comprehensive range of products under the trusted Quba brand, including ISI-certified gas stoves, induction cookers and commercial induction ranges, kitchen chimneys, and a wide variety of fans, irons, water heaters, mixer grinders, pressure cookers, and small home appliances.

Our gas stoves are available in glass top and stainless steel designs with manual and auto ignition options, combining safety, durability, and elegant aesthetics. The induction and infrared cooktops are designed for energy efficiency and fast cooking, while our kitchen chimneys feature advanced technologies such as auto-clean, motion sensors, and powerful suction for smoke-free kitchens.

At Tekshiiiv Systems Private Limited, quality is at the core of everything we do. Each product is manufactured using premium-grade materials, modern machinery, and strict quality control procedures to ensure long service life and consistent performance. We comply with all relevant safety and quality standards, delivering products that customers can trust.

With a strong supply network and a customer-focused approach, we cater to residential, commercial, and export markets. Our commitment to innovation, ethical business practices, and after-sales support has helped us build long-term relationships with distributors, dealers, and customers across India and overseas.
