

Enviro Science

About Us

ENVIRO SCIENCE is recognized as one of the top manufacturers of various essential oils in India. Established in 2015 by Mr. Amol Kakad, the company has grown from strength to strength for the last six years.

OUR MISSION

Our mission is to give value for money to each of our customers all over the world. Giving them our unending service and support to build a long-lasting relationship with them constitutes one of our missions.

OUR MANUFACTURING UNIT

Our manufacturing unit in Thane in Maharashtra is facilitated with the most modern equipments, tools and advanced technology. With the aid of these and our dedication, we have been able to meet all our customer demands.

We never remain satisfied with what we already have. Our desire to innovate spurs us to upgrade ourselves as well as our facility from time to time. This ensures smooth functioning and facilitation of our manufacturing process that is continually surging to glorious heights. Combined with this is our extremely modern R&D that is equipped with high-quality testing equipments like Gas-Liquid Chromatography that analyzes our essential oils that cater to markets all over the world.

OUR TEAM

Our team comprises highly skilled lab technicians and a workforce that is talented enough to capture the market. They form the backbone of our company and, we seek to further our company in unison with all our employees.
