# ABOUT US

Shibani Enterprises

Shibani Enterprises, a dynamic enterprise headquartered in Purulia, West Bengal, was founded in 2014 by Mr. Bijoy Kumar, an astute entrepreneur with a vision for sustainable and innovative solutions. As a reputable manufacturer and distributor, Shibani Enterprises has emerged as a key player in the renewable energy and infrastructure sectors.

Specializing in a diverse range of products, we are proud manufacturers and distributors of Solar Products, Light Poles, Submersible Pumps, Street Lights, Decorative Lightings, Garden Lightings, Stadium Lightings, Parking Lights, LED Floodlights, Automatic Water Pumps, Water Pumping Systems, Galvanized Iron Pipes, and Structured Packings. This extensive portfolio showcases our commitment to providing comprehensive solutions for various industries, contributing to both energy efficiency and infrastructure development.

At Shibani Enterprises, we are at the forefront of the renewable energy movement, offering cutting-edge solar products and energy-efficient lighting solutions. Our commitment to sustainability is further underscored by our range of submersible pumps, catering to the growing demand for efficient water management systems.

Led by Mr. Bijoy Kumar's visionary leadership, Shibani Enterprises places a strong emphasis on quality, innovation, and customer satisfaction. Our products, from solar solutions to lighting and water management systems, undergo rigorous quality checks to ensure they meet the highest industry standards.
