QUALITY PRODUCTS ARE REFLECTION OF OUR ATTITUDE

A good sake in a business drives you to great success

We, as our name says “**Shymaa**” - The purest source and the refined outcome. We are trends to provide clean food products to every door. While being available for wholesaling door to door. We raise opportunities for interested entrepreneurs too. Our food products are targeted to deliver to industries like Hotels, Restaurants, Hospitals, factories, NGO's, Government and Non-Government Institutions, Canteens, Dark Kitchen, Home Supplies, Bakeries, Caterers, and everywhere good food in huge quantities is needed.

We aim to have a national network of distributors worldwide. We welcome you with open arms to the wholesalers and suppliers, new or experienced to form alliances with our product and be our distributors. On the other hand, we are also open to trading and welcoming high-rated natural products from anywhere in India. Henceforth we assure the authenticity of every food product we provide. We are capable of delivering excellent quality products to our customers on time. Welcome to a natural space reflective of our nature-inspired food products.

Pure Spice Oils

Spice Oils are obtained by Steam distillation and Oleoresins are made by Solvent Extractions. Oleoresins are the concentrated liquid from the spices that reproduce the character of the respective spice fully. Spice oleoresins are largely used for flavoring of food particularly by large-scale industries like meat canning, sauces, soft drinks, soap, tobacco, confectionery and bakery etc.

In Spice Oils, We are engaged in the following products:

- ANISEED OILS
- AJOWAN OIL
- BAY LEAF
- BLACK PEPPER
- BETEL LEAF OIL
- CALAMUS OILS
- CAMBODGE
- CAPSICUM
- CARAWAY SEED
