ABOUT US

Hello there, we are NP Textiles located in the city of Muzaffarnagar of the Indian state of Uttar Pradesh. We deal in a large range of textiles that cover most traditions of our country. We trade indifferent raw materials and a large variety of ladies suits embroidered with handworks with several stitching designs.

We produce textiles in our own mill. We possess a state of the art infrastructure for production. Established in the year 2008, our firm deals with chiffon embroidery fabric, chiffon plain fabric, rayon cotton plain fabric and ladies suits with handworks. We trade in our local markets and the national markets.

We also export ladies suits to different Mohammedan countries like Uzbekistan, Iraq, Iran, Oman, Kuwait, Dubai, Abu Dhabi, Pakistan, Bangladesh and Afghanistan and other countries Taiwan and Bhutan. For chiffon fabrics and rayon fabrics, we export our products to countries like the UK, Germany and several European countries, the USA, Brazil, Mexico, Canada and France.

Our list of products includes dress materials, such as handwork cotton dress material, heavy jam cotton dress material, pure jam cotton dress material, embroidered jam cotton dress material and designer jam cotton dress material. Our other products include plain rayon fabric and chiffon fabric, embroidered and plain.

We offer our products in bulk and smaller units both. We also offer other services like logistics. We can provide prompt doorstep delivery at the customer's request. We are easily available to our customers. One can contact Mr Chaitanya Arora for any queries.
