About Us

Empire Wood Press Oil Private Limited is one of the leading manufacturers and suppliers of edible oil in southern India. Established in 2021, the company has garnered many clients within a short time. Known for their quality of products and services, the company is a new favourite among the buyers. Empire wood press oil is based in Kanchipuram, Tamil Nadu, they actively supply to all parts of India in particular and Asia in general.

Ground oil and coconut oil are the most healthy oils for cooking as per scientific studies. They have become a household preference in the kitchens of southern states in India. The company produces wood-pressed oil which is the healthiest and safest to retain the nutritional value of the raw matter. As the name suggests, wood pressed oil is obtained from groundnuts, coconut, and sesame seeds.

Sesame oil has many ayurvedic applications in the health and wellness of the human body.

Empire wood press oil produces products from the best quality of groundnuts, coconuts, and sesame seeds. Being a nominal distance from Chennai, the company smoothly supplies its products to various markets. Chennai has the best communications in all three modes of transport. Reach out to Empire wood press oil for availing best quality oil at a reasonable price.
