About Us

Kanak Manjari Pure Organic Products embodies a journey toward advancing the positive strides made in the organic agriculture and processing sector. It transcends a mere business venture, serving as a mission to replace conventional survival methods with a life closely connected to nature and lived powerfully. Our diverse array of organic wonders includes Black Turmeric Finger, Blue Turmeric Finger, Spirulina Powder and Tablets, Black Ginger, and more. Quality is not just our standard; it is our promise.

Dr. Biswa Ranjan Patnaik, honoured with the Mahatma Gandhi Samman in 2018 by NRI Welfare Society of India at House of Commons, London is passionately dedicated to bringing the finest organic products to life through ethical practices for a conscious future. The mission of Kanak Manjari Pure Organic Products is to cultivate a healthier world through the power of organic ingredients, with a vision that extends far beyond this goal. Meticulous care from cultivation to harvest ensures that each product becomes a culinary masterpiece that we proudly offer to society. Each product is rigorously cultivated, processed, and packaged to meet the highest quality standards.

Our journey began with a deep passion for Lakadong quality turmeric, our flagship product, renowned for its exceptional health benefits. We also offer a wide range of organic treasures, each with unique properties and the potential to enhance well-being.

We believe in the transformative power of nature to improve lives and foster a healthier planet. Our unwavering commitment to sustainable and ethical practices ensures that every product is beneficial not only for individuals but also for the environment.
