

Yugam
Polymers India Company

Founded by Mohd. Shahnawaz in the year 1997, Yugam Polymers India Co. has become a tremendous business organization in the industry of Amroha (Uttar Pradesh, India).

ABOUT US

Founded by Mohd. Shahnawaz in the year 1997, Yugam Polymers India Co. has become a tremendous business organization in the industry of Amroha (Uttar Pradesh, India). As a reliable entity, the company has been able to manufacture and supply a wide variety of high-class products. Our list of products includes PVC fittings, water storage tank, submersible cables, submersible pumps, and submersible pump control panels. We offer a wide assortment of PVC fittings such as PVC bend, PVC end cap, PVC N trap, PVC P trap, PVC reducer elbow, PVC solid elbow, PVC reducer socket, and many more. The PVC fittings products that we make available are manufactured using the most advanced technology and tools. Our PVC fittings are largely appreciated for their fine make, great quality, efficient performance, and long life. The water storage tanks provided by us are sturdy in nature and have a long service life as well. Our submersible cables are famous for their supreme quality and durability. The entire lot of our products is available in a wide variety of sizes and specifications. Dial our numbers now to connect with us and purchase our products at affordable prices.

MAJOR MARKETS

A whole lot of clients in Amroha and further cities of Uttar Pradesh have taken advantage of our products as well. In addition to this, we are also famous for delivering the client's orders on time.
