PRODUCT: MANUFACTURING AND SUPPLY OF COPPER LUGS TERMINAL, ALLUMINIUM AND CABLE GLAND.

The manufacturer's technical documentation as required for Machinery Directive according to the Directive 2006/42/EC has been reviewed and found to comply with the requirements for Directive 2006/42/EC on Machinery. Any significant changes in the design or construction of the product, not agreed upon by us, this declaration will lose its validity.

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.

The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production.
