**Hiza International OPC Private Limited** is an eminent company dealing in wooden handicrafts. Based in Bijnor, we manufacture and supply premium quality handicrafts to our esteemed customer base. Our company has launched exclusive hand-crafted and customized wooden handicrafts for handicraft enthusiasts. Our company focuses on true craftsmanship and authentic product design to add maximum value to our client's investments.

## Product range

Our company is a one-stop solution for wooden handicrafts. Our product range includes wooden ship wheels, wooden wall clocks, wooden serving trays, etc. Our product range delivers functionality, design and quality for maximum customer satisfaction. Our talented and experienced artisans study and understand customer preferences and the industry to deliver the best product quality and design.

We are striving to gain domestic market share with our consistent product quality and outstanding customer service. Our company believes in ethical business practices to win the trust and faith of our existing customer base. Established in 2019, we are an aspiring business looking to branch out within the global market with our hard work and strive for perfection in our product range.
