About Us

Mahadev Dairy is a Mahesana (Gujarat, India) based company, which was founded by Mr. Suresh Kumar Zalabhai Bharvad. Mahadev Dairy was established in the year 2010. We are in the business of manufacturing, exporting, and supplying the finest quality dairy

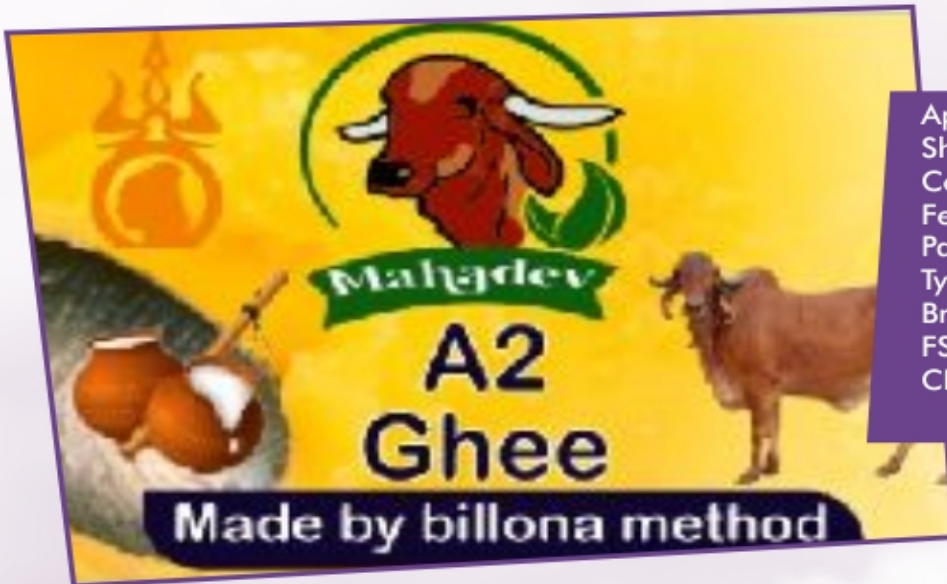

products. Our list of dairy products includes pure ghee, milk powder, fresh cheese, and butter. We offer different types of pure ghee such as desi cow ghee, buffalo ghee, and sheep ghee. Our pure ghee is enriched with vital nutrients and is fresh as well. We also make available several types of butter such as salted butter and unsalted butter. The butter provided by us is fresh and enriched with different nutrients as well. The milk powder provided by us is made using the best quality ingredients. Our milk powder is best known for their supreme quality and purity. The entire range of our products is available in a wide variety of high-grade packaging materials. Dial our numbers now to connect with us and purchase our products at reasonable prices. Different clients in the city have approached us many times to purchase our products.

Why Choose Us?

Our experience of more than a decade has allowed us to become a trustworthy name in the industry. In addition to this, we have also got a decent clientele in the industry in a quick time as well.
