

Year of Establishment **2000**

Mr. Kinshuk Khimsaria

Nature of Business
Exporter, Trader & Distributor

Incorporated in the year 2000, we at Network INC are one of the renowned Exporter & Supplier of industrial motors, controllers, and drives. Our products include EC Centrifugal Module Radipac, AC And DC Servo Motor, Shaded Pole Motor, SMD LED, AC Axial Fan, Air Blower, Centrifugal Fan & Blower and LED Driver, etc. These are answering to the necessities of food processing, water treatment plants, packaging, special purpose machines, and chemicals industries.

Our team of knowledgeable personnel ensures the quality. Moreover, our experienced technical workforce strives hard to give constant free technical assistance through telephone and email.

Our values of partnership and accountability are at the core of everything we do – they are the motivation for our high customer maintenance rate and manifest themselves in our passion that we succeed just when our customers succeed.

Network INC works to make out specific operational needs for our customers, decreasing development time and managing system design. Network INC never negotiates with our quality service.
