ABOUT US

Standard Steels is one of the most celebrated names in the market of Delhi (India). Over the past 35 years, the company has expanded its portfolio of products to include a wide range of end home solutions. We are in the business of manufacturing and supplying the best quality stainless steel products. Our list of stainless-steel products includes stainless steel bowls, stainless steel cookware, stainless steel home accessories, stainless steel plates, and many more. The stainless steel products provided by us are made using the best quality stainless steel materials. We are working in the industry since the year 1985. As a matter of fact, the company moulds excellence as per the industry norms and safety standards of stainless steel products. We are committed to total quality excellence which is reflected in our efforts and successes right from product designs at every stage of product till shipment. Many clients in Delhi have talked to us many times and purchased our products on a huge scale as well. To know more about us and our products, dial our numbers now. We are offering all our products at the most reasonable prices.

Our Factory

Our state-of-the-art factory is spread across a large area of 5,000 Sq. feet. This factory is equipped with revolutionary machines that help us to serve you with inimitable products. By using these machines, we have increased our production capacity up to 100 tons per month.
