

Kriss Exports

ABOUT US

Newly established in the year 2022, **Kriss Exports** is an exporter and Supplier of high-quality fresh vegetables and fresh fruits. We are one of the well-known Natural edible product suppliers and exporters from India. Our handling unit is well-equipped with all the active extraction, isolation, cleansing, mixture and fermentation equipment & technology that let us assume a satisfactory order of our valued clients without any delay. We are managed by a capable team of experts that is an extensive part of our organization.

We are handling our business from Mumbai, Maharashtra under the smart supervision of Gaurav Bendure our founder. In their conclusive direction gradually we will make our name in this business area.

Our Team

Our association is operated by an extremely proficient team of professionals, who hold vast knowledge in their respective domains. By spreading their in-depth knowledge and experience, we are energetically involved in offering a complete range of products.

Client Satisfaction

We are a customer-centric group and we effort tough to offer maximum serenity to our valuable clients. The present range is managed by consuming high-grade ingredients in compliance with international quality standards to achieve extreme client satisfaction.
