

# Shri Ganpati Flour Mill

India being a country that survives on two staple foods namely wheat and rice, it is of importance that there is a continuous supply of wheat, especially in the wheat consuming zones of India. Keeping this in mind, Shri Ganpati Flour Mills has been serving such patrons with premium quality chakki fresh atta, all-purpose flour and wheat flour. Today we are one of the most renowned names in the country because primarily of the quality that we serve. People everywhere are satisfied with our products. This has been verified by the customer feedback that we regularly take. This helps us to ensure that our quality is consistent with each batch of products that are manufactured in our mills.

# About Us

India being a country that survives on two staple foods namely wheat and rice, it is of importance that there is a continuous supply of wheat, especially in the wheat consuming zones of India. Keeping this in mind, Shri Ganpati Flour Mills has been serving such patrons with premium quality chakki fresh atta, all-purpose flour and wheat flour.

Today we are one of the most renowned names in the country because primarily of the quality that we serve. People everywhere are satisfied with our products. This has been verified by the customer feedback that we regularly take. This helps us to ensure that our quality is consistent with each batch of products that are manufactured in our mills.

And this superior quality has been possible because of the state-of-the-art infrastructure that we have at Nainital, Uttarakhand. The machinery has aided us in the processing of our products very finely. And here we must mention that we source our raw products from the best fields of Northern India where they are the best.

Without these raw materials, we would not have been able to scale such heights. Today Shri Ganpati Flour Mills is one of the most renowned names in the industry. We have become a household name. Everybody seeks our products for the goodness that is preserved in them.
