

ANJALI TRADERS

ABOUT US

Anjali Traders is one of the most preeminent names in the industry of Mathura (Uttar Pradesh, India). The company serves as a commendable manufacturer, exporter, and supplier of top-quality copper bottles, copper glass, copper jug, copper water jar, and copper water jar and glass. We offer many types of copper bottles such as copper printed water bottle. The copper bottles that we offer are made using the best quality copper material. These copper bottles are best known for their fine quality, great strength, and long service life. We also provide different types of copper glass like 250ml copper glass and 350ml copper glass. Our copper glasses are known for their premium quality. Operating in the industry since the year 2018, the company has been able to become a significant name in the industry. As a result, we have also gained a sizeable clientele in the industry as well.

Our Team

Working for us is a skilled group of astute and meticulous professionals, who are instrumental in handling all the company operations well and with utmost professionalism as well. These professionals have also undergone various training programs to better execute their tasks.

Our Storehouse

Studded with modern-day machines and advanced tools, we have maintained a state-of-the-art storehouse for us at Mathura. This storehouse is capable of storing various items at a single go safely and securely even for longer durations as well.
