A RAVIRAG INDUSTRIES is a manufacturing company owned by Mr. Annam Ravichandra, with head office based in heart of Bengaluru – the birth place for hand rolled flora and masala agarbathies in Magadi Road, and other office and manufacturing units located in Chamrajpet, Kanakpura Road and Harohalli Industrial Area.

We are marketing our products with the brand name of RAVIRAG, KRISHNA KALA AND RAVIIKARA INDUSTRIES PVT.LTD through our dealers state wise across the country.

We strive to combine innovative genius with creativity, high standards and volume through original manufacturing processes with the key of purity & quality using forest based ayurvedic herbs and roots. We have the belief and trust that gave us new creations.

We are engaging about 2000 people directly and indirectly for manufacturing purposes, our expertise is in hand rolling. Providing livelihood is the main motto of our company, empowering women at grass root level spread across South India. We have our manufacturing units in rural Tamil Nadu, Andhra Pradesh and Karnataka.

Our production capacity is around 7 to 8 tonnes of hand rolled agarbathies everyday. Thus touching lives of millions.

Initially we started the manufacturing saga of masala raw agarbathies for Mysore Sugandh Shrungar Brand, through our parent company today our clientele is spread to most of the big fragrance export houses: Padma Perfumers, Parimal Mandir, Darshan International, Patil Parimala Works, N.Rangarao and Sons, Pradhan Perfumers, Balaji Agarbathi co., Incense creators, Vishal International and many more.

We specialize to the market trend in manufacturing bulk quantities of Flora bathies, Flora geela dhoop, Dry dhoop, Flora cones, Jumbo cups, Long burning hours flora garden sticks, varying from 1 hr to 24 hrs. We blend our own fragrances for our customer.

• USES

Flora bathies we make with natural ingredients using ancient formulas are not just air freshener, they also have physical & psychological benefits appreciated by world wide psychotherapists. The different types of aromas when absorbed by our body & mind generates an impulse & influences our perceptions, hormones, nervous system & emotions and treats several diseases purifying the negative energy in our surroundings and ward off viruses too. The dhoop sticks are used to eliminate stress, anxiety, tension and energise mood, body, mind and soul with positive energies.
