**MEET THE MAKER – NARENDRA KUMAR SWAMI, CEO OF MEERA HANDICRAFTS**

**"EVERY DESIGN BEGINS WITH A STORY, AND WE BELIEVE IN TURNING THAT STORY INTO SOMETHING YOU CAN FEEL."**

Founded in 2014, Meera Handicrafts is the vision of Mr. Narendra Kumar Swami, a passionate artisan and entrepreneur from Jaipur, Rajasthan. Deeply inspired by the rich heritage of Indian craftsmanship, he began his journey with a simple belief — authenticity and artistry should be at the heart of every creation.

With over a decade of hands-on experience, Mr. Swami has built Meera Handicrafts into a brand that bridges the gap between tradition and modern taste. Under his leadership, our team of skilled artisans breathes life into every piece — whether it's a hand block printed cotton garment or a unique home decorative.

For us, it's not just about fabric or decor. It's about delivering something meaningful — something that carries the warmth of Indian culture and the touch of human hands.

Whether you're a boutique owner, a homemaker, a designer, or a creative soul — at Meera Handicrafts, you'll always find something crafted just for you.

"We don't just make products, we create pieces of art that speak to you."

– Narendra Kumar Swami  
CEO, Meera Handicrafts  
We design your desire.
