Established in the year 2015, **Shanthi Food Industries** is a leading manufacturer and Supplier of high-quality food products and spices. We are one of the prominent Natural edible product suppliers in India. Our production division is well-equipped with all the active extraction, separation, cleansing, mixture and fermentation equipment & technology that let us commence an appropriate order of our esteemed clients without any delay.

The fitness of equipment and technology is regularly advanced as per the latest technical growths. We are continued by a capable team of professionals that is an important part of our organization.

We are managing our business from Krishnagiri, Tamil Nadu under the smart supervision of Mr. K.Partheeban our company founder. With his vital direction regularly we will make our name in this business area.

Our Team

Our organization is managed by an extremely talented team of professionals, who hold huge expertise in their respective domains. By applying their thorough knowledge and skill, we are aggressively engaged in offering a complete range of products.

Client Satisfaction

We are a customer-centric relationship and work hard to offer extreme contentment to our valuable clients. The current range is accomplished by using high-grade ingredients in compliance with international quality standards to achieve maximum client satisfaction.
