[www.rahultapes.co.in](http://www.rahultapes.co.in)

Today Rahul Tapes is one of the forerunners in the tape manufacturing industry. We have tapes of many colours and various lengths that suit the needs of our clients all over the country.

We have climbed to the top because of our quality which we assure you is the best. All the components that are required in the manufacturing of our various tapes are of superior quality. The glue is so strong that when you use our tapes you will understand that there is only tape in the market that has quality and class. And those tapes come from the house of Rahul Tapes based in Delhi.

Under the headship of Mr. Ankush Sharma, we have flourished from a fledgling company struggling to find a foothold in the industry to become one of the industry stalwarts and leaders. Our hard work, perseverance, integrity and sincerity have taken us to the top as manufacturers of repute.

We believe in serving up quality before anything else. So we go all-out to maintain our quality and dedication in services to our customers. The USP of our company is that you will never go back empty-handed because we are always well-stocked with our products ready to serve the market as soon as the need arises. This has favoured us to become the most sought-after companies ruling the tapes industry.
