ABOUT US

Arya Propmart is India's leading independent real estate services company, with a presence all throughout the country. Mr Varun Saxena, the Chairman, is a highly renowned industry veteran and India's most significant real estate thought leader.

The Company's interests are diverse across the real estate lifecycle, and it uses its proprietary technology platform to expedite marketing and sales. Real Estate Agent, Builders & Developers, Building Construction, Property Renovation, and many other services are provided by Arya Propmart.

Our business has a one-of-a-kind business model that combines traditional product sales with an innovative technology platform that includes automated analytics and reporting tools. This provides clients with rapid responses while delivering financially advantageous and efficient results.

Our Footprint:

We operate in places where our clients require us to be, offering a global service that is both locally knowledgeable and widely educated. Because of our commitment to providing you with the finest experience possible, we have been recognised as an emerging business leader in great customer service.

Our Strengths:

- ✓ We seek to create livable, enjoyable, and pleasant living spaces. By limiting maintenance and avoiding environmental damage caused by infrastructure.
- ✓ We are committed to delivering projects of extraordinary quality as part of our effort to change the Indian real estate market
- ✓ Our primary goal is to expedite their construction process and ensure that they deliver on time.

Our Mission & Vision:

With the goal of making trust, excellence, and integrity the characteristics of our company. We make every effort to create areas that are both comfortable and convenient. With the goal of creating spaces that represent the link. We endeavour to provide sustainable and innovative design while maintaining high quality and on-time delivery.
