MICE

India is seeing Business sentiment in a euphoric stage with mega opportunities opening up with Government pushing for Make in India plans and big Economic revival.

There is a tremendous boost in movement of Business delegations looking for Opportunities to showcase their products/services and interacting with potential collaborators

Resultantly MICE(M- Meeting ,I-Incentive ,C-Conference ,E- Events) activity has spread its presence in an overwhelming manner . Every Company cannot afford or has capability to hold such specialized events we find a huge scope of organizing the same with our expertise. MICE market has evolved as a boon to cater to the needs of Corporate companies as well as individuals .

MEETING

As the term suggests it is an activity of assembling certain limited number of participants in a hotel or Resort . For that sake it should have a distinct Boardroom ,Meeting Room with suitable Audio-Video Gadgets .

INCENTIVE

A splendid Destination tours package is a good approach to reward exceptional performance, Team building Employee retention...

CONFERENCE

Participatory meeting designed for discussion, fact-finding, problem solving and consultation. Bigger than Meeting in nature . It needs bigger space , a definite sitting pattern , Buffet Dinner Choice etc .

EVENT

Launching of any new product, its Advertisement or any large social functions needs a huge Lawn/Auditorium/Exhibition hall for the purpose .

Harmony India Travels holds the expertise in offering MICE activities across the nation . Equipped with experienced staff & enriched travel inventory , Harmony India is always ready to offer a customized service for any Meeting, Conferences to industrialists & corporate Companies across the nation .
