*You Come As a Customer But Goes As a Friend*

## 02 ABOUT US

**TAYAL TOURS & TRAVELS** is a highly reputed Tour Operating Firm in India. Based in Rishikesh, Uttarakhand, the company is highly appreciated for exciting tour packages providing excellent touring experience.

Planning a vacation from the mundane daily schedule? Come to us! We are known for transforming your travel dreams in to sheer shot reality. From accommodation to transportation, we take care of each and every thing.

Established in 1988, the company is the most trusted name for rendering Tour Operating Services. Started with limited resources, we now own a fully fledged setup. Our network is spread across every nook and corner of the country.

We believe that our customers are precious, which is why emphasize on making bonds besides business. The credibility of our promises can be evaluated on the basis of our 100% client satisfaction record. We provide the best services with best deals to our customers, situated in different parts of the world.

Be it a romantic holiday or an adventure trip, we are specialized to make them exceptionally awesome. With our services availed by thousands of clients, we have now become the most bankable name in the travel circle. Being an active participant in the travel and tour industry, we are also engaged in the event management business.
