

COCONHUTS

Beach Resort Neil Island

Coconhuts Beach Resort is based in Andaman Nicobar Islands, India and offering reliable and comfortable Accommodation to the clients at very nominal charges. We are a group of hotel, restaurant and resort spread all across the Andaman and Nicobar Islands. Also, we have a resort in Neil Island (COCONHUTS BEACH RESORT), which was established in the year 2000.

Ours is an economy resort that is known for offering different types of rooms and all of them are facing the sea side. Each of our room is elegantly designed in order to offer our clients an amazing experience of staying with us. Our sea view rooms are well-planned and equipped with all essential modern luxuries making your stay a comfortable affair. All rooms of this category have king-size bed, flatscreen television

company profile

Coconhuts Beach Resort is based in Andaman Nicobar Islands, India and offering reliable and comfortable Accommodation to the clients at very nominal charges. We are a group of hotel, restaurant and resort spread all across the Andaman and Nicobar Islands. Also, we have a resort in Neil Island (COCONHUTS BEACH RESORT), which was established in the year 2000. Ours is an economy resort that is known for offering different types of rooms and all of them are facing the sea side. Each of our room is elegantly designed in order to offer our clients an amazing experience of staying with us. Our sea view rooms are well-planned and equipped with all essential modern luxuries making your stay a comfortable affair. All rooms of this category have king-size bed, flatscreen television .

Enjoy scenic view along with luxurious living space that is comfortable and distinct, at Coconhuts Beach Resort. The resort was established in 2000 and has attained a glorified position in the industry owing to the dedicated efforts of the Owner of the company, S SREEKUMAR. Our main area of operation is Andaman. Our mission and goal is "We are a passionate team with the vision of delivering the best and exiting experience for our customers". Enjoy the scenic beauty of infinite white sandy beaches, crystal clear turquoise waters, pristine tropical rain forest and romantic sunsets along with your stay in luxurious rooms and suites that reflect Andaman at its best.

Accommodation

Accommodation

Coconhuts Beach Resort is an Andaman Nicobar Islands (India) based resort that is acknowledged for providing comfortable Accommodation at affordable charges. We offer standard non-A/C rooms, standard A/C rooms, & deluxe A/c rooms as accommodation options. Our rooms are aesthetically appealing as they are designed with minimalist décor to offer home like comfort to the guests. Our rooms have LCD TV, telephone, etc., as some of the main amenities for the convenience of the guests.

Dining

Our dining facility is at par as we are known for our delicious sea food, open restaurant and bar along with a wide range of sea sight view that is perfect for holidays.
