Our Services

Forest Stay Inside Jim Corbett

Jim Corbett National Park is a place that doesn't require a formal introduction. It is the oldest national park of India and set amidst the intriguing foothills of snow-clad Himalayas. If you dig the history, Jim Corbett National Park was formerly known by the names of Hailey National Park and Ramganga National Park. Since the park vicinity is fed by the waters of the river Ramganga, the Indian Government decided to name it Ramganga. Currently, the world knows it by the permanent name Jim Corbett Park.

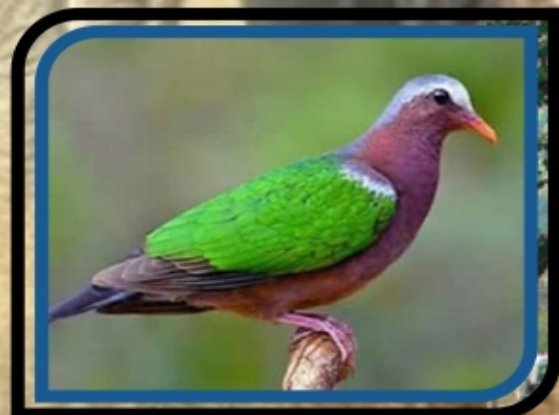

Hotel & Resort outside Forest
