About Us

All India Job Solution is a prominent recruitment consultancy headquartered in Kota (Rajasthan). We are aligned in an array of industry-specific practices and provide quality recruitment and leading manpower services to our clients. Having a Pan-India presence, All India Job Solution is the best recruitment agency in Kota and various other cities in India for all recruitment needs.

All India Job Solution is a top recruitment agency offering high-quality and selective hiring solutions to our clients including many MNCs. We successfully meet the requirements of the organization's manpower demands thanks to our huge database, fastest turnaround, and innovative ideas. We bring in the right blend of our team's expertise in IT and non-IT sectors, facilitating the organization in recruiting temporary and permanent staff, improving productivity, and reducing employment costs. Our recruitment specialist team consists of professionals from different backgrounds who are highly experienced in the field of recruitment and manpower/HR consulting.

We help candidates with resume/CV making, interview preparation, improving communication skills, improving personality development, etc. Besides, we provide job-oriented course and training to candidates and services related to affiliate marketing, finance, career consultancy, work-at-home/freelancing, security guard needs, and housekeeping needs.

We are operating under a highly experienced leadership that guides and mentors all our activities. We strive to gain a reputation by offering the best services to candidates and clients in varied sectors across all leading industry verticals. Our vision is to establish a strategic and long-term partnership with our clients and assist them in transforming today's difficulties into tomorrow's success.

HR Consultant

HR consultant at All India Job Solution, we are instrumental in providing dependable HR consultancy services to the companies across Pan India. As trustworthy HR consultants, our motive is to assist the companies in increasing the efficiency of their human resource. Besides this, we help the companies in preparing the payroll, salary structure of the new employees, and other HR activities. We arrange for the selected employees' personal and professional background for safety purposes.
